Diversity and Inclusion in Seniors Lawn Tennis Club of GB

This Policy sets out our commitment and includes our Safe and Inclusive Standards, Code of Conduct (page 8) and Reporting Procedure (page 2) and it supports our overall aims for diversity and inclusion that are to ensure that:

- Tennis is diverse and inclusive
- Diversity and inclusion are embedded in our club's culture and our behaviours
- We create a culture where inclusive leadership thrives
- We take a proactive approach using positive action to ensure that communities and individuals are valued and able to achieve their full potential.

To achieve these aims we believe that everyone involved in Tennis has a vital role to play in promoting diversity and inclusion and we ask everyone to become Safe and Inclusive Tennis Champions – proactively promoting Safe and Inclusive tennis and taking action against all forms of discrimination.

We are proud to have a Diversity and Inclusion Policy that demonstrates our commitment to making tennis diverse and inclusive. The commitment to Diversity and Inclusion is upheld by all - Lawn Tennis Association (LTA), Tennis Scotland, Tennis Wales and the Tennis Foundation.

These commitments are fully supported by the Seniors Lawn Tennis Club of GB Committee.

Together we can make a positive difference to people from different backgrounds to participate in Tennis at our club.

Thank you.

Diversity and Inclusion Policy

1. Policy Statement

This Diversity and Inclusion Policy, Standards, Code of Conduct and Reporting Procedure are applicable to The Seniors Lawn Tennis Club of GB and is based on similar policies of:

- The Lawn Tennis Association (LTA)
- Tennis Scotland
- Tennis Wales
- The Tennis Foundation.

As a club we contribute actively to enable more people to play tennis more often, in a manner that it is safe, inclusive, and fair. This applies regardless of a person's age, disability, gender reassignment status, sex, marital or civil partnership status, pregnancy or maternity, race, sex, sexual orientation, religion, race or sexual orientation, socio-economic status or any other background.

We recognise that many concerns and/or disclosures may have both safeguarding and diversity and inclusion elements to them. This policy reflects this through its reporting procedures, which replicate the safeguarding concern reporting procedures.

This Policy strives to minimise risk and support our venue, programmes, events and individuals to deliver and experience a positive tennis experience for everyone. The Reporting Procedures in page 2 outlines how to respond to safeguarding or discrimination concerns/disclosures.

2. Use of Terminology

We have adopted the following definitions to explain our approach to diversity and inclusion in tennis:

Discrimination – treating someone in a less favourable way and causing them harm, because of their age, disability, gender reassignment, marriage or civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation

Diversity – acknowledging, celebrating and respecting the differences between groups of people and between individuals. We will work to ensure that people can be assured of an environment in which their rights, dignity and individual worth are respected, and in particular that they are able to enjoy their sport without the threat of intimidation, victimisation, harassment or abuse.

Harassment – unwanted conduct related to a relevant protected characteristic, which has the purpose or effect of violating an individual's dignity or creating and intimidating, hostile, degrading, humiliating or offensive environment for that individual or creates an intimidating, hostile, degrading, humiliating or offensive environment. The focus is on the perception of the complainant not the intent of the perpetrator. Employees can complain of behaviour they find offensive even if it is not directed at them.

Inclusion – ensuring that tennis is equally accessible to any member of the community so they can be fully involved in whatever capacity they choose; and that they are supported to achieve their potential in any capacity e.g. player, employee, volunteer, coach or official. We will work to ensure that people have a genuine and equal opportunity to participate to the full extent of their own ambitions and abilities, that they feel respected and valued and are not singled out, with regard to their age, disability, gender reassignment status, sex, marital or civil partnership status,

pregnancy or maternity, race, sex, sexual orientation, religion, race or sexual orientation, socio-economic status or any other background.

Positive action – The Seniors Lawn Tennis Club of GB is committed to taking positive steps to counteract the effects of physical or cultural barriers – whether real or perceived – that restrict the opportunity for all sections of the community to participate equally and fully. We will ensure that we institute, support or contribute to appropriate measures or initiatives that enable access to tennis and participation in associated activities by people from any group that is under-represented in tennis or has difficulty accessing it and that they can do so with dignity or without being singled out.

(See Appendix A for full glossary of terms)

Where there are concerns that diversity and inclusion good practice has not been followed, all staff are encouraged to follow the club's whistleblowing policy; consultants, coaches, officials, volunteers and players are encouraged to:

If someone comes to you with a concern around discrimination, listen to their complaint, reassure them and advise them of the routes listed above (1-3).

Breaches of this Policy and/or failure to comply with the outlined responsibilities may result in the following by the LTA, Tennis Scotland, Tennis Wales and/or the Tennis Foundation:

- Venues – Potential removal of LTA accreditation
- Staff – disciplinary action leading to possible dismissal and legal action.

- Contracted consultants, officials and coaches – termination of current and future roles within all four organisations and possible legal action.
- Recruited volunteers, including councillors and board members – termination of current and future roles within all four organisations and possible legal action.

Actions taken by staff, consultants, volunteers, officials, coaches, venues, clubs and/or events outside of the LTA, Tennis Scotland, Tennis Wales and/or the Tennis Foundation that are seen to contradict this Policy may be considered a violation of this Policy.

Where an appeal is lodged in response to a safeguarding decision made by the LTA Safeguarding Team and Safeguarding and Protection Committee and/or Licensing and Registration Committee, an independent appeal body such as Sport Resolutions may be used. Their decision is final.
